ABOUT US

Titan Caravans is recognized as a leader in the field of caravan design and manufacturing. Spanning 10 years in the industry we have established a solid foundation in producing caravans for true Australian Conditions. Our research and design team are constantly developing new products to ensure we stay at the forefront of our ever-developing industry.

Our range of caravans are not limited to touring couples, we have a wide range of family friendly layouts to suit most tow vehicles and budgets. You can have confidence that our experienced team will make sure you have right van for the job no matter how far off the beaten track your plans desire.

Titan's Heat Laminated Composite Fiberglass wall and floor panels has revolutionised the industry creating a light-weight ultra-durable alternative to the traditional timber and aluminium frame. The superior insulation properties of our panel will ensure you will be touring in comfort through the seasons.

With over 10 years of trading we have been able to establish a great relationship with some of Australia's largest and most reputable suppliers. Our 1800 TITAN RV number is monitored 24hrs a day to assist you with any warranty or after sales enquiries you may have. We have established a national after sales network to give piece of mind throughout your travels.

Now is the time to "Explore what's Possible" in a Titan Caravan Today !
