**ENGINEERED FOR  
ADVENTURE**

An impressive size, dirt road capable caravan that can be easily towed by many mid-sized four wheel drives and SUVs.

21ft Caravan

Sleeps up to 4

Queen Bed

OR

Single Beds

Tare Weight Under 1800kg

Medium SUV

Ensuite

Reverse Cycle Air Con

**DIRT ROAD CAPABLE**

## THE JURGENS STORY

Our goal is to create the best caravans possible through intelligent design, genuine build quality and comprehensive testing.

We place emphasis on safe and efficient towing through engineering strength in where it is needed and taking weight out where it is not. Our products are light but not the lightest. We take into account building in all the features Australians expect and making a product tough enough for Australian conditions.

We appreciate style and understand how to optimise space for practical and comfortable living.

We have locally designed and built thousands of caravans in Australia developed specifically for our market since 2008.

Plus every Australian built Jurgens Caravan carries the DNA of 60 years international manufacturing experience. We are part of one of the largest caravan manufacturers in the southern hemisphere. Jurgens has been manufacturing in South Africa since 1952 and have built over 100,000 caravans.

We back our product with an industry leading factory warranty. We encourage you to compare us against our competitors. We are confident we have a lot to offer.

**ENGINEERED FOR  
ADVENTURE**

**TOP TO BOTTOM**

### UniskinROOF

- One piece roof
- No joints to leak
- Tough enough to walk on
- Great thermal & acoustic insulation
- High impact / hail resistance

### DurathermWALLS

- Great thermal & acoustic insulation
- High impact / hail resistance
- Aluminium outer walls – low maintenance
- Fibreglass ends – tough & insulated
- No wiring / plumbing inside walls

### IntegraFLOOR

- One piece floor
- Exterior grade ply
- Bolted and bonded to chassis
- Adds structural integrity

### OptimaCHASSIS

- Engineered strength in & weight out
- Optimise durability & towing safety
- Bolted construction - high tensile, nyloc nuts
- Hot dip galvanised
- Fully independent suspension

**Independent Suspension**  
AL-KO IRS - proven dirt road capable

**AL-KO Electronic Stability Control**  
supplied standard

**Alloy rims - proven performers** with a touch of class

**Double glazed windows** for thermal & acoustic insulation

### TECHNICAL DATA

Berths	up to 4 (2 adults and 2 children)

Max. carrying load - kg (will reduce with the inclusion of options)	440	455	445	445
Towball tare weight - kg	140	125	130	145

### EXTERIOR FEATURES

#### Performance

<i>Optima</i> chassis - galvanised. Engineered for maximum strength and minimum weight	AL-KO Independent Rubber Suspension - proven dirt road capable
<i>Duratherm</i> walls - composite construction for impact resistance, insulation and weight saving - 23mm thick aluminium outer skin for protection internal 20 mm high density foam for insulation with structural matrix for strength durable ply on inside of foam core for strength interior lining - wash & wear	Shock absorbers
	Dual axle
	10" off road electric brakes
	Stud pattern - Ford 5 stud
Front and rear panels - tough fibreglass construction	Tyres - 195-R14C
<i>Uniskin</i> roof - one piece construction. No joints to leak and tough enough to walk on.	Spare wheel - underslung
<i>Integra</i> Floor - waterproof coating on underside one piece exterior grade ply tough one piece vinyl covering on top	AL-KO Electronic Stability Control
	AL-KO coupler
	Jockey wheel
	Corner steadies

#### Function

Awning - roll out	Gas bottles 4.5kg x 2
Water pump - 12v	External access to internal storage
Hot water service - gas / electric 240v	Roof hatch large
Water tanks - 2x 60 litre - durable polyethylene construction	240 volt inlet - external
Water tank filler / mains pressure inlet	Annexe light LED 12 volt
Water tap external (works off mains pressure and water tank)	Marker lights LED external
Double glazed windows for thermal and acoustic insulation	Grab handles
Stone protection blanket	Jack - scissor type
Large lockable easy access boot	

### INTERIOR FEATURES

#### Comfort & liveability

Queen size extendable bed (1900mm l x 1500mm w) J2407 - (1900mm l x 1420mm w) or 2 x single beds - refer layouts	Flick mixer tap (hot & cold)
Ensuite (shower / cassette toilet / vanity)	Blinds / flyscreens on all windows and doors
Furniture - poplar ply, precision CNC router construction	Curtains
Wall and furniture surfaces - wash & wear	Crockery set - plastic (6 person)
Vinyl floor - hard wearing	
Fridge / freezer - 3 way AES 184 litre	<b>Technical</b>
Grill (gas) / stove top (3 burner gas & 1 burner electric)	Lighting system 12 volt LED
Ranghood 12 volt	12v socket for TV connection
Microwave	Battery - On board
Airconditioner - reverse cycle	Water tank level & battery indicator
TV / DVD & antennae / booster	Fire extinguisher
Radio / CD player	Smoke alarm
