

Skygazer J22Series

**ENGINEERED FOR
ADVENTURE**

You'll be surprised just how many vehicles are capable of towing this van. The Skygazer is right at home behind many medium cars and SUVs.

THE JURGENS STORY

Our goal is to create the best caravans possible through intelligent design, genuine build quality and comprehensive testing.

We place emphasis on safe and efficient towing through engineering strength in where it is needed and taking weight out where it is not. Our products are light but not the lightest. We take into account building in all the features Australians expect and making a product tough enough for Australian conditions.

We appreciate style and understand how to optimise space for practical and comfortable living.

We have locally designed and built thousands of caravans in Australia developed specifically for our market since 2008.

Plus every Australian built Jurgens Caravan carries the DNA of 60 years international manufacturing experience. We are part of one of the largest caravan manufacturers in the southern hemisphere. Jurgens has been manufacturing in South Africa since 1952 and have built over 100,000 caravans.

We back our product with an industry leading factory warranty. We encourage you to compare us against our competitors. We are confident we have a lot to offer.

CLEVER STYLISH INTERIORS

When there are just two of you there is the luxury of a full ensuite and the choice of queen or single beds*.

Ample cupboard space including robes will give you all the storage you need. And you'll love preparing meals in the kitchen with the lot.

The ensuite features a full bathroom including toilet, shower and hot running water for all your creature comforts.

There are models to optimise open plan living and others to give you the ultimate storage. The choice is yours. Wherever you are heading from the mountains to the coast, the Skygazer is a brilliant caravanning experience.

FEATURES

- A. Microwave
- B. 3 way fridge / freezer - auto
- C. 3 burner gas / 1 burner electric stove top / gas grill
- D. 12 volt LED lighting

* See layouts page for bed size by model

JURGENS

**ENGINEERED FOR
ADVENTURE**

UniskinROOF

- One piece roof
- No joints to leak
- Tough enough to walk on
- Great thermal & acoustic insulation
- High impact / hail resistance

DurathermWALLS

- Great thermal & acoustic insulation
- High impact / hail resistance
- Aluminium outer walls – low maintenance
- Fibreglass ends – tough & insulated
- No wiring / plumbing inside walls

IntegraFLOOR

- One piece floor
- Exterior grade ply
- Bolted and bonded to chassis
- Adds structural integrity

OptimaCHASSIS

- Engineered strength in & weight out
- Optimise durability & towing safety
- Bolted construction - high tensile, nyloc nuts
- Hot dip galvanised
- Fully independent suspension

Independent Suspension
AL-KO IRS - proven dirt road capable

AL-KO Electronic Stability Control
optional

Alloy rims - proven performers with a touch of class

Double glazed windows for thermal & acoustic insulation

EXTERIOR FEATURES

Performance

<i>Optima</i> chassis - galvanised. Engineered for maximum strength and minimum weight	AL-KO Independent Rubber Suspension - proven dirt road capable
<i>Duratherm</i> walls - composite construction for impact resistance, insulation and weight saving - 23mm thick aluminium outer skin for protection internal 20 mm high density foam for insulation with structural matrix for strength durable ply on inside of foam core for strength interior lining - wash & wear	Shock absorbers
	Single axle
	12" off road electric brakes
	Stud pattern - Land Cruiser 6 Stud
Front and rear panels - tough fibreglass construction	Tyres - 195-R14C
<i>Uniskin</i> roof - one piece construction. No joints to leak and tough enough to walk on.	Spare wheel - housed in front boot
<i>Integra</i> Floor - waterproof coating on underside one piece exterior grade ply tough one piece vinyl covering on top	AL-KO coupler
	Jockey wheel
	Corner steadies

Function

Awning - roll out	Gas bottles 4.5kg x 2
Water pump - 12v	External access to internal storage
Hot water service - gas / electric 240v	Roof hatch large
Water tanks - 80 litre - durable polyethylene construction	240 volt inlet - external
Water tank filler / mains pressure inlet	Annexe light LED 12 volt
Water tap external (works off mains pressure and water tank)	Marker lights LED external
Double glazed windows for thermal and acoustic insulation	Grab handles
Stone protection blanket	Jack - scissor type
Large lockable easy access boot	

INTERIOR FEATURES

Comfort & liveability

Queen size extendable bed (1900mm l x 1500mm w) J2207 - (1900mm l x 1420mm w) or 2 x single beds - refer layouts	Radio / CD player
Ensuite (shower / cassette toilet / vanity)	Flick mixer tap (hot & cold)
Furniture - poplar ply, precision CNC router construction	Blinds / flyscreens on all windows and doors
Wall and furniture surfaces - wash & wear	Curtains
Vinyl floor - hard wearing	Crockery set - plastic (6 person)
Fridge / freezer - 3 way AES 128 litre	Technical
