

Introducing the **2018**

# FRONTIER

THE ONLY 100% AUSTRALIAN MADE FORWARD FOLD CAMPER TRAILER

Perfect for those who love adventure, but with a bit of extra comfort! The 2018 Frontier has a queen-sized bed, a swivel-mounted dining table and plush, Macrosuede lounge that converts into an additional double bed. The kitchen features a fold-out shelf, Smev 3-burner stainless steel stove and a stainless steel sink. There's a luggage rack at the front of the trailer, and a 100L heavy duty water tank as standard – no need to use your storage space to carry water on long trips. Like all Cubs, the Frontier sets up in minutes. And the forward fold design means that if the trailer fits into a campsite, the set-up camper will too! As the lightest forward fold on the market, towing is a breeze.
